## Public Investment Facility for Infrastructure Constraints

### EVALUATION OF PROJECT APPLICATION

The Project Application will be evaluated on the eligibility criteria set out in section 3.1 and 3.2 of the PIFIC Operating Guidelines (OG). It will then be scored against further key factors which are assigned a weight in total number of evaluation points.

#### A. General Information

Application No	
Lead Applicant	
Date Received by PIFIC MU	
Date of Review	
Project Name	
Industry Sector	
Project Location	
Summary Project Description	
Estimated cost (Tk./Year)	
Implementation timeframe	
Has Technical Assistance been sought?	YES <input type="checkbox"/> NO <input type="checkbox"/>

#### B. Data and Information Checklist

No.	Submitted Information	Yes	No
1	Project cost between US\$0.5M & \$10M		
2	Technical Data provided		
3	Financial Data provided		
4	Support by Industry Association(s)		
5	Privately owned companies		
6	Employment generation outcome		
7	Female gender results		
8	Is the project in environmental Category RED		

#### C. Eligibility Criteria

Sl. No	Criteria	YES	NO
1	Is the proposed project applicable for the targeted sectors/ subsectors?		
2	Will the proposed project enable production, employment and export?		
3	Is the proposed project feasible from a safeguard's perspective?		
4	Does the applicant (s) or enterprise (s) have legal business entity?		
5	Will the proposed project have potential public interest in terms of direct impacts, net positive external benefits, broad sector level support?		
6	Has the applicant assured availability of land for project implementation?		
Overall comments by the evaluator:		Proceed to Application Evaluation Scoring? Yes <input type="checkbox"/> NO <input type="checkbox"/>	

## D. Evaluation Scoring Details

Sl. No.	Criteria		Weight	Score
1	Applicant and Project Eligibility			
	1.1	How many years has/ve the applicant/s been in business? Continuing >3 years - will get 5%	35%	
	1.2	Is the Applicant a member of a business association - if yes, will get 5%		
	1.3	Does the project meet environmental screening criteria, if yes, will get 5%		
	1.4	Does the project meet social screening criteria, if yes, will get 5%		
	1.5	Will the project support diversification and improve productivity, if yes, will get 5%		
	1.6	Does the applicant have capacity to support implementation of the project? If yes, will get 5%		
	1.7	Will the project create jobs? If yes, will get 5%		
2	Applicant's Business Status			
	2.1	How many firms in the applicant group? > 2 will get 5%	20%	
	2.2	All the firms in applicant cluster are MSME, if yes, will get 5%		
	2.3	All the firms in applicant cluster are functional, if yes, will get 5%		
	2.4	Is average growth rate of applicant's enterprise positive, if yes, will get 5%		
3	Project Readiness			
	3.1	Has appropriate resources to operate and maintain the project, if yes get 5%	25%	
	3.2	Project site is ready for development, if yes 10%		
	3.3	Project can be implemented within PIFIC timeframe, if yes, will get 5%		
	3.4	Applicant has submitted adequate data for technical feasibility of the project, if yes, will get 5%		
4	Project Cost			
	4.1	Indicative cost estimate, if less than US\$ 2.0 million - will get 5%	20%	
	4.2	Is budget mostly associated to promote export, if yes, will get 10%		
	4.3	Is there any opportunity to blend the budget with other financial institutions or any support organizations, if yes, will get 5%		
TOTAL SCORE (Overall quality of investment proposal)			100%	

**If total score greater than 75%, it will be considered for full Project Proposal**

## E. Recommendation
